

GMCWE ARE PROFESSIONAL GRADE[®]

2008 GMC SIERRA DENALI

IMPECCABLE STYLING, INSIDE AND OUT.

Sierra Denali provides you with our most luxurious appointments and most advanced technology. Standard, full-feature, leather-appointed front bucket seats include heated cushions and seatbacks. An acoustic insulation package helps provide a quiet ride. Premium materials, including real wood inserts on the steering wheel with brushed metal accents, add a subtle sophistication. Power-adjustable pedals are standard as are Rainsense windshield wipers with heated windshield wiper fluid that help improve visibility. Its safety engineering is equally impressive, offering standard features such as head-curtain side-impact air bags* with rollover protection. Sierra Denali also provides you with unmatched performance: its Vortec High Output 6.2L V8 engine produces an incredible 403 hp via a smooth six-speed automatic transmission.

Sierra Denali in Onyx Black shown with available equipment.

*Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in the rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information.

1 Available features may require purchase of an option package. See your GMC dealer for details. **2** Cargo and load capacity limited by weight and distribution. **3** Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. **4** Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. **5** Gross Vehicle Weight Rating. When properly equipped; includes weight of vehicle, driver, passengers, cargo and optional equipment. **6** Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. **7** Call 1-888-4ONSTAR (1-888-466-7827) and visit onstar.com for system limitations and details. **8** Not available in certain areas. Visit onstar.com for coverage map. **9** Not available with rear-window defogger. **10** Remote Keyless Entry does not lock/unlock tailgate. **11** RDS functions only where stations broadcast RDS information. **12** Map coverage not available in Puerto Rico, the Virgin Islands and portions of Canada. **13** Requires rear-seat DVD entertainment system. **14** Not available with rear-seat DVD entertainment system. **15** Available only in the 48 contiguous United States. Required \$12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. Subscription subject to customer agreement. For more information, visit gm.xradio.com. **16** Use only GM-approved wheel/tire combinations. See dealer for details.
